

PUPPY JAKE FOUNDATION 2018 Annual Report

Executive Message

To the Supporters of Puppy Jake Foundation,

February 2019 will mark six years of Puppy Jake Foundation working to help the lives of wounded Veterans with a service dog. Looking back over last year, I continue to be amazed at the growth and expansion of Puppy Jake Foundation. Five more Veterans received their service dogs in 2018, bringing the total number of working graduate teams to twenty-two. As we continue to strive to aid our nation's Heroes, I am pleased to share that the teams are working well together.

For the sixth year in a row, financial support from individuals and the community exceeded expectations. Having said that, the task of raising money is never ending. As PJF begins 2019, there are twenty-four service dogs in various stages of training; projected arrival of twelve golden retriever puppies in the Spring; projected arrival of seven labs in the Fall and two graduating classes ("Team Training") of Veterans and service dogs. Simply put, fulfilling Puppy Jake Foundation's mission of providing professionally trained service dogs to wounded military Veterans would not occur without your support.

Puppy Jake Foundation is grateful and honored by all support and contributions. Serving as good stewards of financial resources is of utmost importance to the entire team. Donor policies, the IRS-990 as well as an annual, independent audit are available on the website. PJF is a member of the Better Business Bureau and has achieved the Gold star level from GuideStar.

Puppy Jake Foundation will continue to increase our funding and profile in the coming year so we may help those brave men and women who have given so selflessly to protect our freedom.

With more thanks than I am able to express,

Becky Beach
CEO

PUPPY JAKE FOUNDATION

Two Classes Graduate!

Now this is what it's all about! Five Veterans and their new service dogs graduated in two separate Team Trainings, one in May and one in December. Mitch and Josh with service dogs HERMAN and NICOLE respectively graduated in May. In December, David, Dan and Aaron graduated with service dogs DJ, LAKE and HAZEL respectively.

To see the sheer joy from these wonderful heroes and their families is the best thank you Puppy Jake Foundation could ever receive. It is a true blessing to see the transformation of these Veterans once matched with their service dog.

Iowa State Fair

For the sixth year in a row, Puppy Jake Foundation spent 11 days at the Iowa State Fair sharing the mission of providing professionally trained service dogs for wounded Veterans with the booth's visitors. Folks of all ages were able to meet service dogs in training, take a chance with raffles, pick up trading cards of their favorite dogs and take home PJF shirts and hats. Be sure to visit Puppy Jake Foundation's booth in the Varied Industries Building during the 2019 Iowa State Fair.

A Night to Honor America's Heroes

SAVE THE DATE: APRIL 25, 2019

Puppy Jake Foundation's largest fund-raising event, held yearly at the Sticks Studio in Des Moines, saw 2018 to continue to grow and was the most successful ever! The event was broadcast live on "The Simon Conway Show" and included a wine pull, silent auction and numerous service dogs in training. Donors, community leaders, volunteers and Veterans were all in attendance to enjoy snacks, drinks and to raise funds to help the nation's heroes. Additionally, the wonderful locally inspired Sticks artwork was available, including some special pieces made just for Puppy Jake Foundation. The 2019 event will be held on Thursday, April 25th at 6pm, again at the Sticks Studio, 3631 SW 61st Street, Des Moines, IA.

Service Dog Etiquette:

What should you do when you see a Service Dog?
What is proper Service Dog etiquette?

Smile and be polite to the Service Dog's handler, but most of all:

- Do not pet the Service Dog.
- Do not distract the Service Dog in any way.
- Please ignore the Service Dog entirely.
You're not being rude if you don't acknowledge its presence.

Service Dog etiquette says when a Service Dog has a vest on or is in public with its disabled handler or trainer, it is working, even if it appears as though it is not. Distracting a Service Dog by making noises, offering food or water, toys or petting may be dangerous to the dog's disabled handler. And especially if the dog is a medical alert dog or brace/mobility support dog. Many handlers have "invisible disabilities," such as diabetes, hearing loss or other symptoms not readily apparent. If a Service Dog is paying attention to someone who's distracting it, then it's not doing its job for its handler.

If you would like to pet the Service Dog, ALWAYS ask the handler first, but don't be offended if they refuse. Some disabled Service Dog handlers don't like to chat about their Service Dogs. Most like to go about their day, just like you! Also, never ask personal questions about the handler's disability or intrude on their privacy. Keep these simple Service Dog etiquette tips in mind and you'll have a far smoother experience when you see a Service Dog in public.
