

2019 Annual Report

To the Supporters of Puppy Jake Foundation,

It is with great pleasure that I share with you that in 2019, Puppy Jake Foundation achieved accreditation from Assistance Dogs International (ADI). ADI is an international organization that sets standards in all aspects of an assistance dog organization. PJF began the process in 2014 – and yes, it took five years to obtain accreditation. When Puppy Jake completed the rigorous process and met the high standards set by ADI, there were only 89 organizations in the United States to have achieved accreditation. Having received accreditation, the Veterans we serve will now have additional benefits at the VA. Hats off to the entire PJF team for reaching this tremendous level of excellence.

February 2020 marks eight years of Puppy Jake Foundation working to help the lives of wounded Veterans with a service dog. Looking back over last year, I continue to be amazed at the growth and expansion of Puppy Jake Foundation. Seven more Veterans received their service dogs in 2019, bringing the number to 27 working Veteran/service dog teams. Another Team Training (graduating class) is scheduled for summer of 2020. As we continue to strive to aid our nation's Heroes, I am pleased to share that the teams are working well together.

For the seventh year in a row, financial support from individuals and the community continues to remain strong. Having said that, the task of raising money is never ending. As PJF enters 2020, there are twenty-two service dogs in various stages of training and projected arrival of new puppies. Simply put, fulfilling Puppy Jake Foundation's mission of providing professionally trained service dogs to wounded military Veterans would not occur without your support.

Puppy Jake Foundation is grateful and honored by all support and contributions. Serving as good stewards of financial resources is of utmost importance to the entire team. Donor policies and the IRS-990 are available on the website. PJF also undergoes an annual, independent audit. In addition to ADI accreditation, PJF is a member of the Better Business Bureau and has achieved the Platinum Star level from GuideStar.

Puppy Jake Foundation will strive to increase funding and profile in the coming year so we may help those brave men and women who have given so selflessly to protect our freedom.

With more thanks than I am able to express,

Becky Beach
Founder, CEO and Board Secretary

Call to Action

Due to tremendous support from the community and donors, Puppy Jake Foundation has been able to improve the quality of life for some of our nation's wounded combat Veterans. Puppy Jake Foundation relies on your generosity and financial support to continue to provide service dogs to wounded combat veterans, at no charge to the veterans or their families.

The approximate cost to raise a service dog, with up to 24 months of training, is between \$18,000 and \$20,000. With your continued generosity and financial assistance, the more money Puppy Jake Foundation is able to raise, the more wounded veterans we are able to help.

Two Classes Graduate!

Now this is what it's all about! Seven Veterans and their new service dogs graduated in two separate Team Trainings, one in April and one in October. Cliff, Marc and Jason graduated in April with SHIRLEY, BUCKY and SHERIFF respectively. Chris, Steve, Tim and Joe graduated in October with PJ, RUSTY, WEFEL and ELMER respectively.

The sheer joy from these wonderful heroes and their families is the best thank you Puppy Jake Foundation could ever receive. It is a true blessing to see the transformation of these Veterans once matched with their service dog. From quiet and reserved individuals, a new spark develops with their new "battle buddy".

“A Night to Honor America’s Heroes”

Puppy Jake Foundation’s largest fund-raising event continues to grow and surpassed all expectations of the goal. The event was broadcast live on “The Simon Conway Show” and included a wine pull, silent auction and numerous service dogs in training. Donors, community leaders, volunteers and Veterans were all in attendance to enjoy snacks, drinks and to raise funds to help the nation’s heroes. Additionally, the wonderful locally inspired Sticks artwork was available, including some special pieces made just for Puppy Jake Foundation.

The 2020 event will be held on Thursday, April 30th at 6pm, this year at The Conservatory in downtown Des Moines. The Sticks building was sold, however the great team at Sticks will assist and participate again in 2020.

Simon Conway Annual “Drive-Thru” Events

In just a matter of hours, in two separate cities and at two different times, over \$40,000 was raised when Simon Conway aired his live broadcasts to support Puppy Jake Foundation. With thanks to WMT in Cedar Rapids and WHO in Des Moines, Simon’s show offered free breakfast pizza in the morning or bar-b-que sandwiches in the late afternoon for a ‘good will’ donation. Corporate pledges, call-in pledges and listeners demonstrated tremendous support of the mission to help a wounded Veteran. Volunteers, service dogs in training and Veterans were on hand to thank all the generous donors.

For the sixth year in a row, Puppy Jake Foundation spent 11 days at the Iowa State Fair sharing the mission of providing professionally trained service dogs for wounded Veterans with the booth's visitors. Folks of all ages were able to meet service dogs in training, take a chance with raffles, pick up trading cards of their favorite dogs and take home PJF merchandise, shirts and hats.

Puppy Jake Training Team

The PJF training team evolved in many ways in 2019. Erin Topp was promoted to Training Director joining Assistant Trainers Kelly Bass, Marianne Cary and Janice Rosenburg.

Erin started her dog-training journey at age ten in a local 4-H dog project. Erin has participated with her five personal dogs in competition obedience, agility, K9 Nose work®, and lure coursing. Erin serves as Communication Director for the Karen Pryor Academy team. She is a Professional Certified Trainer from Karen Pryor Academy (KPA-CTP), member of the Association of Professional Dog Trainers (ADPT) and evaluator for the American Kennel Club (AKC).

Kelly recently completed Karen Pryor Academy's Dog Trainer Professional course and received her KPA-CTP certification. She has taken classes with American Kennel Club (AKC) Breeding and continues to learn as much as she can in regard to training.

Marianne has been with PJF for years – as a foster family and currently an Assistant Trainer. She spends her time working One on One with the PJF service dogs in training. Janice is a Professional Certified Trainer from Karen Pryor Academy (KPA-CTP) and helps with One on One evaluations.

Service Dog Etiquette:

What should you do when you see a Service Dog? What is proper Service Dog etiquette?

Smile and be polite to the Service Dog's handler, but most of all:

- Do not pet the Service Dog.
- Do not distract the Service Dog in any way.
- Please ignore the Service Dog entirely.

You are not being rude if you don't acknowledge its presence.

Some disabled Service Dog handlers don't like to chat about their Service Dogs. Most like to go about their day, just like you! Also, never ask personal questions about the handler's disability or intrude on their privacy. Keep these simple tips in mind when you see a Service Dog in public!
