

2016 ANNUAL REPORT

Executive Message

To the Supporters of Puppy Jake Foundation,

Looking back over the year 2016, I am amazed at the growth and expansion of Puppy Jake Foundation. Eleven more veterans received their service dogs in 2016 and the teams are working well together. This brings the total number of graduate teams to fourteen as we continue to strive to aid our nation's heroes.

Financial support from individuals and the community exceeded expectations. Having said that, the task of raising money is never ending. Puppy Jake Foundation insists on having full funding and a volunteer foster family is in place, prior to obtaining a puppy. As 2017 begins, there are twenty-six service dogs in various stages of training; anticipation of adding up to sixteen puppies; and two graduating classes of veterans and service dogs. In the most basic sense, fulfilling Puppy Jake Foundation's mission of providing professionally trained service dogs to wounded military veterans would not be possible without your support.

Puppy Jake Foundation will continue to increase our funding and profile in the coming year, so we may help those brave men and women who have given so selflessly to protect our freedom.

With more thanks than I am able to express,

Becky Beach
CEO and Board Vice Chair

2016 Accomplishments

- Service dogs PARKE, LT. DAN, MILTON, REX, SIMON and JACK graduated in July.
- Service dogs HAROLD, RAY, ANTON, VINCE and BUBBA graduated in October.
- Thanks to generous donors, Puppy Jake Foundation Training Academy officially opened with training necessities such as an accessible training kitchen, accessible training bathroom, large training facility and training equipment.
- Volunteer base continues to grow.
- Increased outreach and education in schools and the community on issues regarding accessibility with a service dog.
- Decrease in the percentage of re-careered dogs.
- Expansion of Newton Correctional Facility partnership.
- Successful bus trip to St. Louis with 19 service dogs in training and 29 humans.
- Remarkable growth in recognition of Puppy Jake Foundation's organization.

Two Classes Graduate!

This is what it's all about! Eleven veterans and their service dogs graduated in two classes in July and October, 2016. Matt, James, Rich, Jason, Denny and Tim with service dogs PARKE, LT. DAN, MILTON, REX, SIMON and JACK respectively graduated in July. In October, Tony, Scott, Christopher, Alex and Toby graduated with service dogs HAROLD, RAY, ANTON, VINCE and BUBBA respectively.

The sheer joy from these wonderful heroes and their families are the best thank you Puppy Jake Foundation could ever receive.

Training and Volunteers

2016 saw continued growth and expansion of the team of trainers, staff and volunteers. Years of training experience, combined with certifications from Karen Pryor Academy, Animal Behavior College, and TAGteach to name just a few, yielded developments in the training program of the service dogs.

Volunteers and foster families are considered 'family' within Puppy Jake Foundation, ready and willing to help one another on a moment's notice and pitch in with a positive attitude. These volunteers are a cornerstone to the successful mission of Puppy Jake Foundation. Providing hard work, eagerness, fun and too many hours to count, the volunteer base is essential to the program to help the nation's wounded military veterans.

Thank You Merchants Bonding!

Puppy Jake Foundation is beyond words of appreciation and gratitude for the support from the Merchants Bonding Bill Warner Senior Charity Golf Classic. The generosity from the single event raised \$160,000 for Puppy Jake Foundation. YES, that's complete sponsorship of 8 service dogs for wounded Military Veterans.

"This is a record amount for us," said Merchants President Larry Taylor, "since we began our every-other-year tournament in 2010, it's grown in both participation and dollars. We feel very humbled and fortunate that so many supported our efforts to help veterans." "I am still speechless!" said Puppy Jake CEO Becky Beach. "We can't thank everyone enough and obviously; our words don't convey the appreciation and deep gratitude from everyone associated with Puppy Jake Foundation."

"Word of our fundraising got to one donor, who would like to remain anonymous, and that donor alone gave \$20,000, enough to sponsor one dog," said Merchants COO Bill Warner Junior. "The desire to help our veterans is strong and we are honored that we could use my dad's memorial outing to give back to the men and women who serve our country." Merchants Bonding Company was founded in Des Moines in 1933 and is led by fourth generation family members.

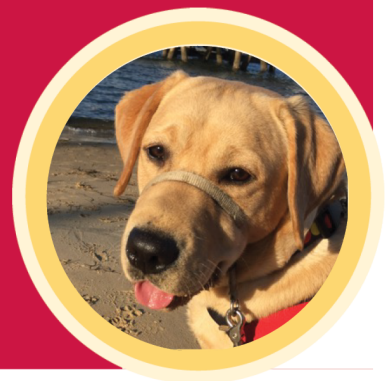

Newton Correctional Facility Partnership

The partnership between Newton Correctional Facility and Puppy Jake Foundation began in late 2015. 2016 saw the program evolve and develop into a great asset to Puppy Jake Foundation for both temporary behavior evaluations and long term training in the puppy program. Additionally, the partnership offered offenders an opportunity to live with, raise and train a service dog. The program by all acclaims was a win-win for the minimal security offenders and the service dog program.

Evaluating the dog's ability to adjust to different environments and human handlers is essential for a successful service dog placement. Newton Correctional Facility allows Puppy Jake Foundation trainers to evaluate the dog's adaptability in their training for several weeks. During this time, they learn to work with different handlers and continue training on essential life skills such as "meet and greet" and basic obedience.

KEVIN, shown here, is a year-old yellow lab and was the first puppy to go through the new puppy program at the Newton Correctional Facility. He entered the puppy program in January 2016 and was recently moved to a foster home in the community to finish his training. As you can see, he is doing great!

Thanks to your Generosity, fourteen service members received a canine battle buddy in 2016! In 2017 we are projecting to have two graduating classes, or twelve more teams of veterans and service dogs. Thank you from the bottom of our hearts!

Call to Action

Due to tremendous support from the community and donors, Puppy Jake Foundation has been able to improve the quality of life for some of our nation's wounded combat veterans. Puppy Jake Foundation relies on your generosity and financial support to continue to provide service dogs to wounded combat veterans, at no charge to the veterans or their families. The approximate cost to raise a service dog, with up to 24 months of training, is between \$18,000 and \$20,000. With your continued generosity and financial assistance, Puppy Jake Foundation will be able to raise more money and help the more wounded veterans than ever before.

Please consider making a gift in one of the following ways:

- **Online:** www.puppyjakefoundation.org
- **Mail:** PO Box 12220, Des Moines, IA 50312 or
- **3101 104th Street, #2, Urbandale, IA 50322**

Puppy Jake Foundation "Wish List" for expense assistance includes:

- Purchase of purebred puppy - \$1,500
- Veterinary care for a year - \$1,500
- Training for a year - \$10,000
- One year of food - \$576
- Training vest, backpack and bandana - \$80
- One month of food - \$48
- Gas cards for veterans and volunteer foster families - \$25/each
- Cleaning supplies
- Laundry supplies
- Copy paper - \$25/case
- State Fair Tickets - \$8/each
- Collar and leash - \$30
- Crate - \$70

Volunteers are the Keystone to our Mission.

As we continue to grow, we urge people to get involved with the organization. Whether it's being a foster family or volunteering at a single event, there is plenty of work to do. Email us at info@puppyjakefoundation.org to sign up!

Training Academy Ribbon Cutting Celebration

Governor Terry Branstad and the Urbandale Chamber of Commerce cut the ribbon to officially open Puppy Jake Foundation Training Academy. The academy is complete with training necessities such as an accessible training kitchen, accessible training bathroom, large training facility and training equipment. A canine treadmill assists not only with exercise, but with the training of escalators and moving walkways.
