

2017 ANNUAL REPORT

Executive Message

To the Supporters of Puppy Jake Foundation,

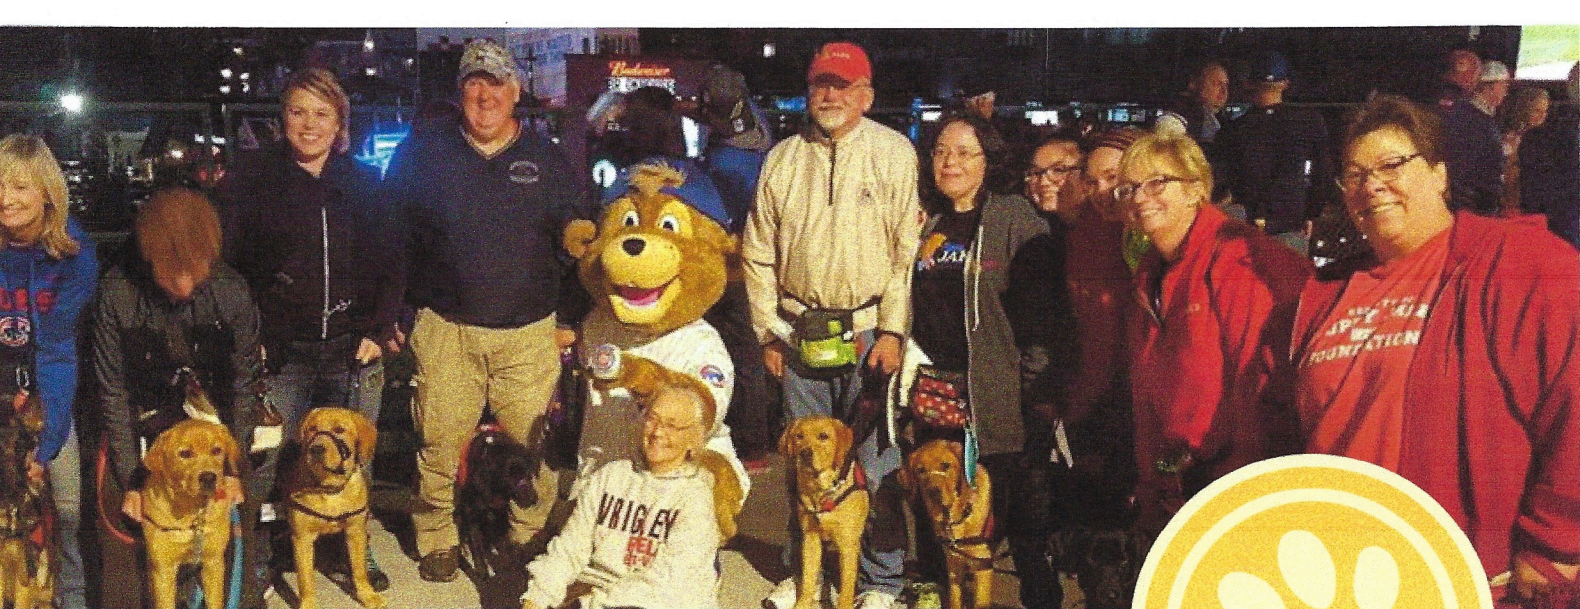

As we enter 2018, Puppy Jake Foundation will have been in existence for just five short years. Looking back over the year 2017, I continue to be amazed at the growth and expansion of Puppy Jake Foundation. Nine Veterans received their service dogs in 2017, bringing the total number of working graduate teams to eighteen. As we continue to strive to aid our nation's Heroes, I am pleased to share that the teams are working well together.

Financial support from individuals and the community exceeded expectations. Having said that, the task of raising money is never ending. Puppy Jake Foundation insists that full funding, and a volunteer foster family is in place, prior to obtaining a new puppy. As PJF begins 2018, there are thirty-five service dogs in various stages of training; projected arrival of sixteen puppies; and two graduating classes of veterans and service dogs. In the most basic sense, fulfilling Puppy Jake Foundation's mission of providing professionally trained service dogs to wounded military veterans would not occur without your support.

Puppy Jake Foundation will continue to increase our funding and profile in the coming year so we may help those brave men and women who have given so selflessly to protect our freedom.

With more thanks than I am able to express,

Becky Beach
CEO and Board Vice Chair

Two 2017 Classes Graduate!

This is what it's all about! Nine Veterans and service dogs graduated in two separate classes, one in May and one October 2017. Shaun, Andy, Steve, Shane and Travis with service dogs BOB, LEGEND, IKE, CHARLES and REAGAN respectively graduated in May. In October, Matthew, Mark, Sean and Angela graduated with service dogs CHRIS KYLE, LOU, 4RUNNER and SKIPPY respectively.

To see the sheer joy from these wonderful heroes and their families is the best thank you Puppy Jake Foundation could ever receive. It is a true blessing to see the transformation of these Veterans once matched with their service dog.

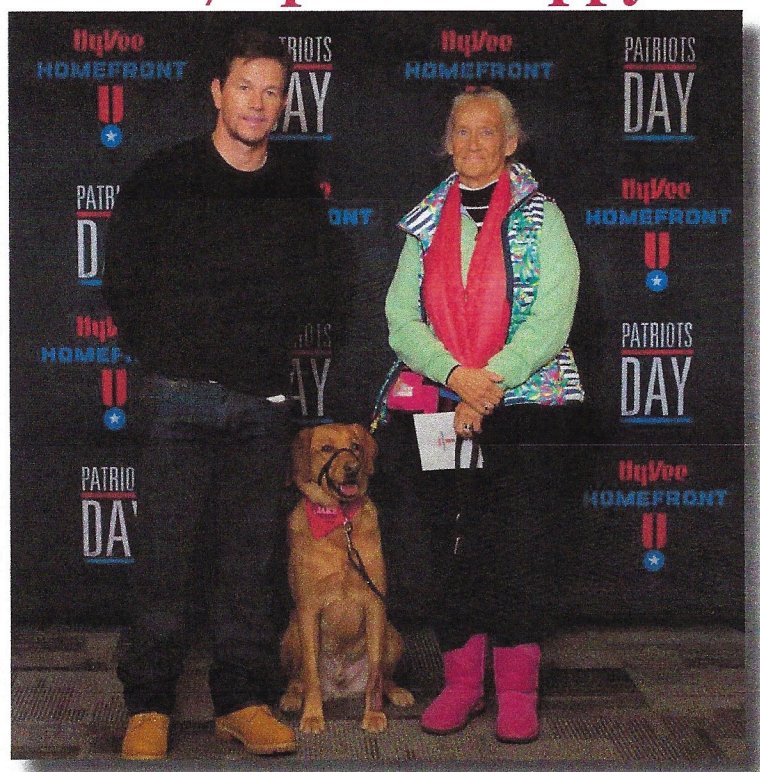

A Night to Honor America's Heroes

Puppy Jake Foundation's largest fund raising event, held yearly at the Sticks Studio in Des Moines, saw 2017 as the most successful ever! The event was broadcast live on "The Simon Conway Show" and included a wine pull, silent auction and an on-line auction. Donors, community leaders, volunteers and Veterans were all in attendance to enjoy snacks, drinks and to raise funds to help the country's heroes. Additionally, the wonderful locally inspired Sticks artwork was available, including some special pieces made just for Puppy Jake Foundation.

The 2018 event will be held on Thursday, April 19th at 6 p.m., again at the Sticks Studio.

Call to Action

Due to tremendous support from the community and donors, Puppy Jake Foundation has been able to improve the quality of life for some of our nation's wounded combat Veterans. Puppy Jake Foundation relies on your generosity and financial support to continue to provide service dogs to wounded combat veterans, at no charge to the veterans or their families. The approximate cost to raise a service dog, with up to 24 months of training, is between \$18,000 and \$20,000. With your continued generosity and financial assistance, the more money Puppy Jake Foundation is able to raise, the more wounded veterans we are able to help.

PJF spends 11 days at the Iowa State Fair

For the fifth year in a row, Puppy Jake Foundation spent 11 days at the Iowa State Fair sharing the mission of providing professionally trained service dogs for wounded Veterans with the booth's visitors. Folks of all ages were able to meet service dogs in training, take a chance with raffles, pick up trading cards of their favorite dogs and take home PJF shirts and hats. Be sure to visit Puppy Jake Foundation's booth in the Varied Industries Building during the 2018 Iowa State Fair.
