

Spay Neuter Policy for Other Dogs in Home

Puppy Jake Foundation requires that all dogs that are placed with a Veteran must be placed with with an individual and home in which all other dogs have been spayed or neutered.

Additionally, Puppy Jake Foundation requires that all dogs that are re-careered must be placed with with an individual and home in which all other dogs have been spayed or neutered.

Upon a re-career, any Puppy Jake Foundation dog will be altered (spayed or neutered). This requirement applies to all working, retired, released and re-careered dogs.
